

Tube handle offset

Tube handle straight

Application

These strong tubing grasps are suitable for heavy sliding doors, large windows or also as impact handles for trolleys.

With double sliding doors and critical space conditions, anywhere that risk of trapping hands exists, the offset tubing grasp is highly recommended.

Specification

Support: PA-GF, black

Tube: Al, anodised

Order data	Order number
	L
tube handle offset	250mm A65-22
tube handle offset	300mm A65-23
